Dear Parents,

Summer Vacation! A long time to rejoice and recreate for all children. It is an appropriate period when the parents spend quality time with their children and try to discover their hidden potential, to realize their talents and raise their self-esteem. Let us work together to make learning joyful! Please encourage your child to:

- Make sure that your child completes his/her homework neatly.
- Help your child inculcate good habits
- Recite a story to your child and ask him/her to narrate it.
- Converse with your child in English.
- Recite mool Mantra daily.

So, spend these holidays creating an environment filled with fun, frolic, learning & education.

- Draw your favourite cartoon on A4 size sheet and colour it.
- Learn five lines on your family.

We wish you a happy, safe, and memorable summer break!

Let us make this summer both fun and educational!
